REMARKS

SOURCE

Five biplanes, four of them marked with the figures "2, 7, 8, and 9", were observed at the NEURUPPIN (N 53/Z 49) airfield. Flying was being done with these aircraft.

Comment:

25X1A

The report confirms that the occupation of the NEURUPPIN airfield has not changed since 2 June 1949. The previous statement that the airfield is allegedly occupied by an air unit has not been confirmed. The observed PO-2 biplanes are presumably assigned to the Hq of the Sixteenth Air Army.
